**Surplus, \$60,000.00**

**Stockholders' Additional Liability, \$600,000.00.**

THE UNION TRUST COMPANY is organized under a special law which requires a guarantee of ample financial responsibility, and establishes a state supervision. It must be examined twice a year by the Auditor of State, and may be examined any time he pleases. The safeguards of law thus thrown about it assure correct management. It is authorized to act as executor and guardian, administrator, assignee, receiver or trustee under wills or by appointment of court, and can do business, as a rule, more efficiently and economically than an individual. Its stockholders are liable for twice the amount of their stock.

It acts as agent and trustee in any matter of business, and as financial depository for Building Associations and other corporations.

It buys and sells securities, deals in county and municipal bonds, loans money on mortgage and collateral security.

It furnishes bonds for executors, administrators and guardians in any county in the State. It is a legal depository for court and trust funds.

Interest allowed on deposits of money, which may be made at any time and withdrawn after notice or at a fixed date, and will be entitled to interest for the whole time they remain with the Company.

**Executors, Administrators or Trustees of Estates will find this  
Company a convenient depository for money. It does not  
receive deposits payable on demand, nor does it  
do a banking business. Lends money  
on Farms.**

**BORROWERS**

**W**E RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS**. These parties are not the private citizen nor the stranger in the city, who steps in, looks at the Directory and goes out, but merchants, business and professional men, who need a Directory every day of the year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Directory "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell the Directory canvasser that he has "no use for a Directory," that he "knows everybody," and, vice versa, "everybody knows him."

READ CAREFULLY.

To Factories, Foundries, Etc.

You are using machinery that can be improved.

You desire working drawings, blue prints, plans, specifications, etc.

We can design and build you special machinery, make your drawings, blue prints, etc.

You are caused frequently to witness certain parts of your machinery broken, and must have broken parts replaced at once.

You use heavy machinery, pulleys, gears, etc. If they break, ship them to us and we will make pattern and casting, finish casting and send same to you at earliest possible moment.

If you have large gears, etc., that are liable to break, send us word and we will come and make drawings, then furnish pattern, casting, etc., as desired.

We make patterns of every description, in either wood or metal, for cast iron, malleable iron, brass, steel, etc.

We have one of the largest pattern and model shops in the West.

We make a specialty of large bevel and spur gears up to fourteen feet in diameter.

We have special room prepared for experimental work, and all improvements made by us while working on such work become the property of the inventor employer.

An inventor should take out a caveat on his invention, and then have the invention made practical, and apply for letters patent in its complete working order, thus saving much expense and giving a more valuable invention. All this we can do, having many years' experience in this line.

Write us for full information.

# Dr. O. S. Runnels Sanatorium

276 NORTH ILLINOIS STREET

Indianapolis, Ind.

Established in 1890

The building is commodious, easily accessible and conforms in all its appointments to the demands of a home set apart for the restoration of the broken in health.

## CONSERVATIVE WORK A SPECIALTY

Homœopathic Medication, Massage, Electricity, the Rest Cure, and every known means of recuperation employed to their fullest extent. Resort to surgical operations only after failure of all other available methods. Good cooking and a liberal table for convalescents. Graduate nurses only. Visiting physicians always welcome. Correspondence solicited.

# The Runnels

## Private Hospital

Was established in 1890 by O. S. Runnels, A. M., M. D., 276 North Illinois Street, to meet the requirements of the best services attainable in surgical and gynecological practice. After an extensive surgical experience of twenty years under the most favorable conditions possible in the various public hospitals, hotels and homes, Dr. Runnels recognized the need of better service than could be thus commanded. Finding it impossible to secure the best results in the unfavorable environment of the old order, the service was transferred to the private hospital where everything has been specialized to the highest degree.

**NATURAL APTITUDE AND LONG EXPERIENCE HAS PLACED

# DIRECTORY BORROWERS

**W**E RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS**. These parties are not the private citizen nor the stranger in the city, who steps in, looks at the Directory and goes out, but merchants, business and professional men, who need a Directory every day of the year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Directory "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell the Directory canvasser that he has "no use for a Directory," that he "knows everybody," and, vice versa, "everybody knows him."
